The Oxford Handbook of Participation in Organizations

The concept of employee participation is common to many different discipline areas in the social sciences. The form participation takes varies considerably depending on the discipline. On the one hand, it can relate to trade union representation through joint consultative committees and collective bargaining, to worker cooperatives or to legislation designed to provide channels for employee ...

Conceptualizing Employee Participation in Organizations

The Oxford Handbook of Political Behaviour examines the role of the citizen in contemporary politics, based on articles from leading scholars of political behaviour research. What does democracy expect of its citizens, and how do the citizenry match these expectations? The recent expansion of democracy has both given new rights and created new responsibilities for the citizenry.
