

participation and organization development pdf

The World Bank Group works in every major area of development. We provide a wide array of financial products and technical assistance, and we help countries share and apply innovative knowledge and solutions to the challenges they face.

Localizing Development: Does Participation Work?

Objectives of participation. Participation activities may be motivated from an administrative perspective or a citizen perspective on a governmental, corporate or social level.

Participation (decision making) - Wikipedia

Four key principles—“accountability, transparency, participation, and inclusion”—have in recent years become nearly universal features of the policy statements and programs of international development organizations.

Accountability, Transparency, Participation, and Inclusion

Organization development (OD) is the study of successful organizational change and performance. OD emerged from human relations studies in the 1930s, during which psychologists realized that organizational structures and processes influence worker behavior and motivation. More recently, work on OD has expanded to focus on aligning organizations with their rapidly changing and complex ...
