Compare and Contrast is a text structure or pattern of organization where the similarities and differences of two or more things are explored. It is important to remember that with the compare and contrast text structure the text should be discussing similarities and differences. If the text only discusses similarities, it is only comparing.

Text Structure Patterns

Four Questions for Expository Writers "The writing of exposition begins . . . in an understanding of the broad purpose to be achieved. It begins, like all composition, in the writer's head. It begins, like all composition, in the writer's head.

Definition and Examples of Exposition in Composition

Invite students to write paragraphs using each text structure pattern: The students' first writing activity should be a whole-class activity, followed by small-group, partner, and independent writing activities. This involves selecting a topic and using a graphic organizer to plan the paragraphs.
