Employment is a relationship between two parties, usually based on a contract where work is paid for, where one party, which may be a corporation, for profit, not-for-profit organization, co-operative or other entity is the employer and the other is the employee. Employees work in return for payment, which may be in the form of an hourly wage, by piecework or an annual salary, depending on the ...

Employment - Wikipedia

A corporate university is any educational entity that is a strategic tool designed to assist its parent organization in achieving its goals by conducting activities that foster individual and organizational learning and knowledge. Corporate universities (CU) are a growing trend in corporations. In 1993, corporate universities existed in only 400 companies.

Corporate university - Wikipedia

the center for corporate citizenship at boston college iii Foreword Over the last 20 years community involvement (CI) has evolved from an add-on activity to a bona-fide line function with bottom-line accountabilities.

Determining the Value of Corporate Community Involvement
