In actual practice, there is substantial evidence of volume-and-intensity responses to price changes. We have selected two specific physician practices and their actual 1994 and 1996 Medicare claims data for the following examples. Table 1 is a simple example of how an orthopedic surgeon from Illinois maintained a substantial portion

Physician Volume & Intensity Response

If an investigation of a physician and surgeon occurs after the physician and surgeon has enrolled in the program, the board may inquire of the program whether the physician and surgeon is enrolled in the program and the program shall respond accordingly.
