“The Bells,” it seems, isn't a what at all, except poetically. It is more like a how since it can only be accessed through musical action—the poem's harmony, and the reader's subsequent, reciprocal performance. “The Bells” is a composition written for performance, and it is meant for a music lesson.

Ring Out Wild Bells is about the new year and all the ways the world could change for the better. Tennyson takes the phrase “ring out the old, ring in the new” and twists it in order to “ring out” all the negatives he sees in the world and “ring in” more positive things.

### **Analysis of Ring Out Wild Bells By Alfred Tennyson**

In this poem Poe imagines the sounds of four different kinds of bells, and the times and places where you might hear them. There's no plot in this poem, exactly, but there is something like an emotional arc, as we move from light, bubbly happiness to sadness, fear, and misery.
