

political socialization of women pdf

Political socialization is the "process by which individuals learn and frequently internalize a political lens framing their perceptions of how power is arranged and how the world around them is (and should be) organized; those perceptions, in turn, shape and define individuals' definitions of who they are and how they should behave in the political and economic institutions in which they live."

Liberal intolerance. See also: Liberal intolerance and Liberal bigotry Many modern liberals have a tendency of to be intolerant of ideas that contradict liberal ideology which increasingly includes many strange notions (see: Liberal intolerance). For example, radical feminists commonly claim that one is not born a man or woman, but one becomes a man or woman through gender socialization.
