Political Barriers to Changing Property Rights: Evidence from 17th Century England Kara Dimitruk 12 October 2017 Abstract I study how changes in political barriers influence the reorganization of property rights. I present evidence that the Glorious Revolution of 1688 enhanced English parliament's ability to change land rights.

Political Barriers to Changing Property Rights: Evidence

I argue that when the structure of political property rights is such that the polity most closely resembles a corporation, governance will be largely productive. In contrast, when the structure of political property rights is such that the polity is characterized by a tragedy of the commons, governance will be largely predatory and will promote rent seeking.
