The goal of the Practical Guide is to provide you with the tools you need to effectively manage your overweight and obese adult patients in an efficient manner. The Guide has been developed to help you easily access all of the information you need.

### **The Practical Guide**

About this guide This Practical Guide does not create a new reporting framework. Rather, it outlines a three-step process to embed the SDGs in existing business and reporting processes. Step 1 addresses the process of prioritization of impacts and the identification of SDGs for a company to act and report on.
