The pregnancy verification form is a letter that is used to show proof of a positive pregnancy test, confirming that the woman is indeed pregnant. The form details the date when the individual visited the clinic/hospital, the estimated date of delivery, and any additional notes or comments related to the test.

Associated terms for pregnancy are gravid and parous. Gravidus and gravid come from the Latin for "heavy" and a pregnant female is sometimes referred to as a gravida. Gravidity is a term used to describe the number of times that a female has been pregnant. Similarly, the term parity is used for the number of times that a female carries a pregnancy to a viable stage.

Unintended Pregnancy in the United States. On average, U.S. women want to have two children. To accomplish that goal, a woman will spend close to three years pregnant, postpartum or attempting to become pregnant, and about three decades--more than three-quarters of her reproductive life--trying to avoid an unintended pregnancy.[]For a range of social and economic reasons, most individuals ...
