Non-regulatory note: Some sections of this regulation are shown in italics. Federal law requires that the Delaware Department of Education identify in writing any Delaware rule, regulation or policy that is a state-imposed requirement rather than a federal requirement (see 20 USC Â§14079(a)(2)).

922 Children with Disabilities Subpart A, Purposes and

Developmental disability is a diverse group of chronic conditions that are due to mental or physical impairments that arise before adulthood. Developmental disabilities cause individuals living with them many difficulties in certain areas of life, especially in "language, mobility, learning, self-help, and independent living". Developmental disabilities can be detected early on and persist ...
