This reï¬ects, among other reasons, the increasing ... complicates the possibilities of harmonisation.

BRIEF The Comparability July 2005 No. 9 of International

As the stakes get higher, the requirements for comparability get higher. The chapter concludes with the observation that strict forms of comparability, such as equating and calibration, may not be possible with many large scale performance assessments. However, weaker forms of comparability, such as statistical and social moderation, are attainable.

Technical Issues in Large-Scale
