production of the Proceedings volume and the OECD's LMOs and the Environment Conference. I thank Sally McCammon for her work to secure all the necessary support, including financial and administrative, to make this volume possible.

Proceedings of an International Conference - USDA APHIS

In academia, proceedings are the collection of academic papers published in the context of an academic conference. They are usually distributed as printed volumes or in electronic form either before the conference opens or after it has closed. Proceedings contain the contributions made by researchers at the conference.
