Economic profit does not occur in perfect competition in long run equilibrium; if it did, there would be an incentive for new firms to enter the industry, aided by a lack of barriers to entry until there was no longer any economic profit. In fact, any profit, from a mathematical point of view, rather than cultural, is an exchange at an unfair value, when immediate, or an exchange deferred in ...

The two are interlinked, but customers can be loyal to your brand without being advocates (although the reverse can’t really be true). A brand loyalist is someone who is personally loyal to your brand, but doesn’t engage in promoting you to others. They’re important, not only because they generate revenue, but because they possess the potential to become advocates.
