The death of a certain amount of leaves is a normal part of a marijuana plant's life cycle, and their swift removal could save your plant the resources that are being wasted on dying limbs. These leaves don't die quickly, so by clipping their stems early, you might be saving your plant weeks of extra effort.

Gentleness is the value and quality of one's character. Being gentle has a long history in many, but not all cultures. Gentleness is considered to play a very important role in life. The quality of gentleness is colloquially understood to be that of kindness, consideration and amiability. Aristotle used it in a technical sense as the virtue that strikes the mean with regard to anger: being too ...
