

### **punishment in america social pdf**

Capital punishment, also known as the death penalty, is a government-sanctioned practice whereby a person is killed by the state as a punishment for a crime. The sentence that someone be punished in such a manner is referred to as a death sentence, whereas the act of carrying out the sentence is known as an execution. Crimes that are punishable by death are known as capital crimes or capital ...

Corporal punishment or physical punishment is a punishment intended to cause physical pain on a person. It is most often practised on minors, especially in home and school settings. Common methods include spanking or paddling. It has also historically been used on adults, particularly on prisoners and enslaved people. Other common methods include flagellation and caning.

The American Civil Liberties Union believes the death penalty inherently violates the constitutional ban against cruel and unusual punishment and the guarantees of due process of law and of equal protection under the law. Furthermore, we believe that the state should not give itself the right to kill human beings " especially when it kills with premeditation and ceremony, in the name of the ...
