Reciprocal teaching is an instructional activity that takes the form of a dialogue between teachers and students regarding segments of text for the purpose of constructing the meaning of text. Reciprocal teaching is a reading technique which is thought to promote students' reading comprehension. A reciprocal approach provides students with four specific reading strategies that are actively and ...

Ethics involves systematizing, defending, and recommending concepts of right and wrong behavior. A central aspect of ethics is "the good life", the life worth living or life that is simply satisfying, which is held by many philosophers to be more important than traditional moral conduct.. Most religions have an ethical component, often derived from purported supernatural revelation or guidance.
