accountability and maximising efficiency and effectiveness. In this article we revisit Flinders and Skelchers's 2012 article "Shrinking the quango state: five challenges in reforming quangos" to assess progress to date and consider future challenges. Drawing insights from the UK programme of

### **Quango Reform: The Next Steps - Pure - Login**

the relationship between the reform of quangos and the three key concepts; quango reform and devolution, quango reform and a democratic deficit and quango reform and centralisation. The paper then examines explanations for the outcome of the review of quangos using a typology developed by Perri 6 and Peck (2004) which analysed public sector

### **QUANGO REFORM IN NORTHERN IRELAND : CHALLENGING DEVOLUTION**

This article considers the theory and practice of accountability arrangements for quangos in the UK. Theoretical notions of accountability are discussed and the practice of parliamentary accountability evaluated in the context of the traditional notion of ministerial responsibility.

### **Quangos: UK Ministerial Responsibility in Theory and**

The coalition government elected in 2010 in the UK pursued a programme of quango reform focused on reducing the number and expenditure of armâ€™s-length bodies, increasing transparency, improving accountability and maximizing efficiency and effectiveness.

### **Quango reform: the next steps?: Public Money & Management**

This article claims that special-purpose independent agencies such as quangos provide an avenue for understanding the â€™personal voteâ€™ and political control of administrative policy making in Britain. Quangos make policies that directly influence particularistic concerns in an MP's constituency, generating incentives for MPs to meddle with their independence in order to capture the personal ...
