Islamism is a concept whose meaning has been debated in both public and academic contexts. The term can refer to diverse forms of social and political activism advocating that public and political life should be guided by Islamic principles or more specifically to movements which call for full implementation of sharia. It is commonly used interchangeably with the terms political Islam or ...

Left-wing politics supports social equality and egalitarianism, often in opposition to social hierarchy. It typically involves a concern for those in society whom its adherents perceive as disadvantaged relative to others (prioritarianism) as well as a belief that there are unjustified inequalities that need to be reduced or abolished (by advocating for social justice).

What originally brought to mind Maine's conception of ancient societies were some passages I read in Nassim Nicholas Taleb's latest book Skin In the Game.. Taleb makes the point that things don't necessarily scale up; when they do, they lose the characteristics that allow them to operate on the smaller scale.
