To transform the operations of Government from a paper driven to a digitally enabled bureaucracy. To facilitate the ease of access by Citizens to information and services from the Government Through automation, improve the efficiency and effectiveness of the Government's Bureaucracy.

Re-Imagining Government - Canto

The challenge is to re -imagine how democratic processes, and the values that underpin them, can be revitalised. My focus is Australia, although the views I express are deeply informed by developments in other Westminster style countries. And my starting point is that element of democratic governance that I understand best, the public service.
