The history of PDF This page provides an overview of the evolution of PDF, the Portable Document Format, and the matching Adobe Acrobat software. A separate page gives a more general overview of the history of prepress .

The history of PDF | How the file format and Acrobat evolved

The success of A Brief History indicates that there is widespread interest in the big questions like: Where did we come from? And why is the universe the way it is? I have taken the opportunity to update the book and include new theoretical and observational results obtained since the book was first published (on April Foolsâ€™ Day, 1988).
