The Standards. Published in Science in 2015 (), the Transparency and Openness Promotion guidelines include eight modular standards, each with three levels of increasing stringency. Journals select which of the eight transparency standards they wish to implement and select a level of implementation for each.

TOP Guidelines - Center for Open Science

Submission Method A journals make the final published version of all NIH-funded articles available in PubMed Central (PMC) no later than 12 months after publication without author involvement. The start date shown for each journal is the earliest publication date that meets this requirement. Enter a journal name below to see if it uses Submission Method A.

Determine Submission Method | publicaccess.nih.gov

Health Science Journal is an open access, peer-reviewed, scopus indexed journal that publishes articles on the multi-dimensional aspects of Health Science.
