(PDF) State-Owned Enterprise Reform in China

It asks whether the reform programme was successful in the state-owned sectors, and concludes that the answer is a qualified 'yes', and that in many respects the enterprises began in the eighties ...

Reforming State Owned Enterprises in China: Effects of WTO

A top priority of China's ongoing reforms of its vast state-owned sector is to convert SOEs into mixed-ownership firms—firms in which the state and private shareholders hold joint equity stakes.

Reforming China's State-Owned Enterprises: Institutions

In China, the term 'state enterprises' used to mean enterprises that were owned fully by the state and run as government units under the direct control of line ministries. Following rules set by the government, state enterprises fulfilled the output targets assigned by state planners and sold their products at predetermined prices.

Chapter 16 The Role of State-Owned Enterprises in the

Virtually every state-owned oil, gas and mining enterprise has a formal mandate to be a 'commercial' entity, but this 'commercial' role is sometimes ill-defined. This mandate is defined precisely and strategically in the cases of most high-performing state-owned enterprises.

Reforming State-Owned Enterprises in the Extractive

The OECD Guidelines on Corporate Governance of State-Owned Enterprises, published in 2004, provided the first international benchmarks, which have served to strengthen SOE management. A revised version of those guidelines was just released in July, 2015, informed by the Annual Meeting's lively debates.

4 Key Challenges for Reforming State-Owned Enterprises

the Reform of State-Owned Enterprises], Communist Party of China Central Committee and State Council of the People's Republic of China (PRC) (Beijing, September 13, 2015).

Wendy Leutert - Brookings

We develop a dynamic general equilibrium model with state and private enterprises. We calibrate the model to the Chinese economy and we quantitatively assess the economic effects of reducing subsidies to the state sector as required by the WTO.
