### **Reinventing Leadership Strategies To Empower The**

Most leadership training today is too long, too linear, and neither engaging nor contextualized for the learner. Today, leadership is less about “hero” leadership and more about effective team-based, agile leadership. That equates to a larger market of future leaders who need foundational leadership development.

**Reinventing Leadership - Warren G. Bennis - Paperback**

After screening a great number of organizations, I focused on 12, selecting those that were most advanced in reinventing management structures and practices. (See "Examples of Teal Management," where ten are listed; the other two, AES and BSO/Origin, reverted back to more traditional management practices after a change of CEO or ownership).
