

religious pluralism and civil pdf

Religious pluralism is an attitude or policy regarding the diversity of religious belief systems co-existing in society. It can indicate one or more of the following: As the name of the worldview according to which one's own religion is not held to be the sole and exclusive source of truth, and thus the acknowledgement that at least some truths and true values exist in other religions.

Population. There is no detailed information about the ethnic and religious groups in Syria. The first census which focused on the sectarian distribution was carried out in 1932 under the French mandate, however, this census was only carried out in the lands under the short-lived Government of Latakia (the Alawite State established by the French) which covered only 7,000 km² out of modern ...
