Final Report - Volume 11, Historical residential institutions

The file name "ref02_c01s02.pdf" would mean the reference is from AP42 chapter 1 section 2. The reference may be from a previous version of the section and no longer cited. The primary source should always be checked.

Lime and Cement Industry Particulate Emissions: Source

1.1. Automated documentation methods may supersede manual methods in this volume as long as the automated method captures and maintains the same information. For example, if a GATES/automated report has the same information as a manual report, the automated report should be used in lieu of the manual report.
