Evidence-Based Counseling: Implications for Counseling Practice, Preparation, and Professionalism ... the outcome and process research were only distant voices in the background. This early bifurcation between practice and research evolved into a fairly wide "research-practice gap" that ... research on counseling practices are well beyond ...

Evidence-Based Counseling: Implications for Counseling

Research is not a foreign country apart from counseling, although the way in which many research projects are written up may in fact alienate and confuse counselors, by reliance on particular conventions, use of jargon, and difficult concepts. In fact, the practice of research contains essential elements that are similar to counseling practice.

Qualitative Research in Counseling: A Reflection for
