

research in nursing and pdf

Nursing Research has a long and distinguished record in the history of nursing science. Since its launch in 1952, Nursing Research has been a "cooperative venture" of scientists, professional organizations, publisher, editorial staff, and readers to circulate scientific papers in nursing to improve care, alleviate suffering, and advance well-being.

Nursing Research - journals.lww.com

Nursing research is research that provides evidence used to support nursing practices. Nursing, as an evidence-based area of practice, has been developing since the time of Florence Nightingale to the present day, where many nurses now work as researchers based in universities as well as in the health care setting.. Nurse education places focus upon the use of evidence from research in order to ...
