The difference between a research paper and a paper for which no research is done is both simple (in that one uses research, while the other doesn't) and complex. A non-research paper is about a text and you, the writer, and your skills as a reader of a text. A research paper, on the other hand, can be about that and something larger. Critic ...

Yes, you have always dreamed of writing and researching term papers, which is why you're enrolled at Farmingdale State. Yeah, right. Few people get excited about writing research papers or doing research itself, but everyone needs to know how to research because research is essential to our lives.

Handbook on Writing Research Papers

While, based upon research, the common response to a mentally ill person is to fear violence, diagnosed mental patients commit violence at the same rates as non-diagnosed people (Martin, et al., 2000). Public perceptions may not match reality due to the public's lack of contact with the mentally ill.
