Unruly Dialogue: Renaming Rhetorical Situations and

"Theoretically informed and beautifully written, John L. Schilb's Rhetorical Refusals: Defying Audience Expectations offers a nuanced analysis of how writers and speakers defy audience expectations. Schilb's reading of case studies of recent and past rhetorical acts and his careful construction of a framework for understanding rhetorical refusals speak powerfully to the contemporary disinclination to address other points of view in civic issues.

Two IU English professors honored with national awards: IU

In my most recent book, Rhetorical Refusals: Defying Audiences' Expectations (Southern Illinois University Press, 2007), I turn to examining a specific kind of persuasive act, one in which the writer or speaker deliberately breaks with rhetorical conventions to achieve some higher aim. Here at IU, I regularly teach both graduate and undergraduate courses, including a seminar on Holocaust representations for the University's summer Intensive Freshman Seminars Program.
