

rituals of mediation international pdf

Rituals of Mediation Book Description: The authors consider international issues like security, development, political activism, and the war against terrorism through the lens of cultural practices such as traveling through airports, exhibiting art and photography, logging on to the Internet, and spinning news stories.

Rituals of Mediation: International Politics and Social

Mediation is not a neutral operation that transfers and leaves unchanged the two subject and object positions. Rather, mediation is a rite that enables social change. In rituals of transformation, the human subject becomes a creative mediator who uses mediation to make the world to his or her own image.
