

river confluences tributaries and pdf

This article lists the tributaries of the River Thames from the sea to the source, in England. It includes significant backwaters and waterways that have confluences with the main stream of the River Thames. Most of the tributaries are natural, but a few were man-made. In addition to those listed, the River Medway shares the Thames Estuary, and near Oxford the River Thames is also named The Isis

I sense that someone is staring at me. My eyes blink open and I see an attractive young woman standing on the bank. She is wearing a green ball cap that has the Sundance logo on it, a khaki fly-fishing vest with about six zippered pockets over a forest green t-shirt that might be made of silk, expensive khaki hiking shorts with lots of velcro sealed pockets, khaki colored mountaineering boots ...
