Comparative Criminal Justice: Theoretical Perspectives NOT

Deviance is defined as "nonconformity to a set of norms that are accepted by a significant number of people in a community or society." More simply put, if group members do not follow a norm, they become labeled as a deviant. In the sociological literature, this can often lead to them being considered outcasts of society.

Social norm - Wikipedia

Social theories are analytical frameworks, or paradigms, that are used to study and interpret social phenomena. A tool used by social scientists, social theories relate to historical debates over the validity and reliability of different methodologies (e.g. positivism and antipositivism), the primacy of either structure or agency, as well as the relationship between contingency and necessity.
