

rural banking and agricultural pdf

During the 1990s and 2000s, China's banking system underwent significant changes: banks are now functioning more like western banks than before. Nevertheless, China's banking industry has remained in the government's hands even though banks have gained more autonomy. WTO has accepted China.

Banking in China - Wikipedia

The United States Rural Utilities Service (RUS) administers programs that provide infrastructure or infrastructure improvements to rural communities. These include water and waste treatment, electric power, and telecommunications services. It is an operating unit of the USDA Rural Development agency of the United States Department of Agriculture (USDA).
