Guides to Government Programs for Farmers and Ranchers

The tool identifies whether a property is located in a rural or underserved area in a particular calendar year. Creditors can select a year and enter addresses into the tool, either one at a time or more than one at a time (a "batch upload"), and the tool provides a determination of whether each address is in a rural or underserved area for the year selected.

Main funding sources. Local banks. Many banks participate with agencies in providing financing to beginning farmers including Aggie Bond programs and guarantee financing through USDA; Although it is uncommon, some banks have created local beginning farmer financing initiatives that link funds from depositors to a special lending pool available to beginning farmers.
