Editorial The links between urban and rural development

Enhancing rural development and livelihoods. We work directly with over 700 000 farmers and some five million are in our supply chain. To help secure a long-term supply of high-quality raw materials for our foods and beverages, we need to understand where and how our ingredients are produced, support the farmers who supply us and drive rural development.

Many members and partners of the Global Donor Platform for Rural Development are already walking the talk. One of the highlights of the first day of AGA 2018 was the presentation of the Compendium "Donor engagement with youth", commissioned by the Global Donor Platform for Rural Development in preparation for the AGA 2018.

AGA - Global Donor Platform

This paper provides a brief and accessible statement of the basic structure of the Logical Framework Approach. It is hoped that this will encourage further use of the approach which, although time-consuming, provides not only sound guidance on the structuring of a monitoring and evaluation system but also helps to emphasise the role of planners and managers in specifying the intermediate and ...

Logical framework approach to the monitoring and
