

### **sanctions as economic statecraft pdf**

Abstract. The evolution and outcomes of conflicts in Europe, including the current one in Ukraine, have been influenced by the dynamics of economic, technological and military balances, which in turn are affected by the economic warfare and sanctions that have been used to alter them.

### **The Ukraine conflict, economicâ€“military power balances and**

Power in international relations is defined in several different ways. Modern discourse generally speaks in terms of state power, indicating both economic and military power. Those states that have significant amounts of power within the international system are referred to as small powers, middle powers, regional powers, great powers, superpowers, or hegemon, although there is no commonly ...
