

### **school reform behind the pdf**

Education reform is the name given to the goal of changing public education. Historically, reforms have taken different forms because the motivations of reformers have differed. However, since the 1980s, education reform has been focused on changing the existing system from one focused on inputs to one focused on outputs (i.e., student achievement).

Executive Summary. In its 10th annual survey of American public opinion, conducted in May and June of 2016, Education Next finds that the demise of school reform has been greatly exaggerated. Public support remains as high as ever for federally mandated testing, charter schools, tax credits to support private school choice, merit pay for teachers, and teacher tenure reform.
