

sculpting concrete garden ornaments pdf

I have found several good books on using concrete and cement as an art material. Your input and suggestions are increasing the list. Concrete Handbook for Artists: Technical Notes for Small-scale Objects, is my own book. It's based on this web site but has a lot more information.

Art Concrete How-to 7: Books and References

Sculpture is the branch of the visual arts that operates in three dimensions. It is one of the plastic arts. Durable sculptural processes originally used carving (the removal of material) and modelling (the addition of material, as clay), in stone, metal, ceramics, wood and other materials but, since Modernism, there has been an almost complete freedom of materials and process.
