selected papers on searching for the superworld by a. zichichi and collaborators thepapers reproduced can be grouped in two classes.

SEARCHING FOR THE SUPERWORLD: A Volume in Honor of

Using a large selection of superpowers you will prepare your beginning characters for defeating the villains of Superworld. The Superworld rules maintain comic book reality: secret identities are guarded with care, blows to opponents often do more damage to the surroundings than to the targets themselves, and heroes can travel between stars and into other dimensions.
