A Brief History of the U.S. Army in World War II highlights the major ground force campaigns during the six years of the war, offers suggestions for further reading, and provides Americans an opportunity to learn about the Army's role in World War II. This brochure was prepared at the U.S. Army Center of Military History by Wayne M.

A Brief History of World War II

We date the second World War from 3 September 1939, the day when Great Britain and France declared war on Germany (not, incidentally, from 1 September, the day when Germany attacked Poland); and among non-Americans, only professional historians can remember the date of Pearl Harbor.
