Part of a series of articles on: Racial segregation; Germany; Nuremberg Laws; South Africa; Apartheid legislation; Bantustan; Bantu Education Act; Group Areas Acts; Pass laws; United States

### **Racial segregation - Wikipedia**

School segregation in the United States has a long history. In 1787 African Americans in Boston including Prince Hall campaigned against inequality and discrimination in the city's public schools. They petitioned the state legislature protesting that their taxes support the schooling of white students while there was no public school open to their children.

Through the Global Gender Gap Report 2014, the World Economic Forum quantifies the magnitude of gender-based disparities and tracks their progress over time. While no single measure can capture the complete situation, the Global Gender Gap Index presented in this Report seeks to measure one important aspect of gender equality: the relative gaps between women and men across four key areas ...
