Introduction: Offshoring and the labour market 1 Although offshoring, which means the relocation of production processes abroad, is an age-old phenomenon, it has recently gained a new dynamic through the decrease in transportation and

## **Offshoring and the labour market: What are the issues?**

The offshoring of services, particularly of business services, is a relatively recent phenomenon that first appeared in the 1990s. Because of this novelty factor, headline news tends to cover mainly the offshoring of call centers, back-office data processing, software development and R&D (Sako, 2005, p. 8).
