Significant contemporary American feminists : a

Significant Contemporary American Feminists: A Biographical Sourcebook is a valuable and necessary addition to any feminist library. This collection of 50 biographical essays recounts the histories of U.S. activist feminists and conveys, by its very girth, the magnitude of accomplishments of second-wave feminism.

Significant Contemporary American Feminists: A

contemporary conceptualizations of feminism. It argues that society has a false belief that women are by nature less intellectually and physically capable than men (Tong, 2009, p. 2).

An Introduction: Feminist Perspectives

second wave feminism in the United States, American feminists have had to acknowledge the wider universe of women on American soil, as including women of color, women of border-cultures, women of different sexual preference, women of lower economic classes.

American Feminist Theory - Wenatchee Valley College

roots of modern feminism will be attempted to be revealed by dealing with her second work (Rights of Women) where the perspectives and the basic arguments in Rights of Men are applied to women's rights and women

The Roots of Modern Feminism: Mary Wollstonecraft and the

feminist theory, liberal feminists such as Betty Friedan (see Significant Others, p. 317), focus on how political, economic, and social rights can be fully extended to women within contemporary soci-
