But up until now, I didn't know there was a strategy guide for it. Had I still been playing the game, the book had some information I still hadn't known that could have to make this game less challenging and play with strategy in mind.

SimTower: The Official Strategy Guide by Rick Barba

The SimTower Official Strategy Guide, in my opinion, is more of a reference to the game than a strategy guide. It has a few "easter eggs" listed that are most often cheats. But, it does include a lot of strategy for zoning the tower and especially building noise-effective hotels and commercial areas.
