

sipri yearbook 2010 armaments pdf

SIPRI Yearbook 2018 is a compendium of data and analysis in the areas of armed conflict and conflict management; military spending and armaments; and non-proliferation, arms control and disarmament.

SIPRI Publications | SIPRI

The SIPRI Military Expenditure Database contains consistent time series on the military spending of countries for the period 1949â€“2017. The database is updated annually, which may include updates to data for any of the years included in the database.

SIPRI Military Expenditure Database | SIPRI

This article is a list of countries by military expenditure in a given year. Military expenditure figures are presented in United States dollars based on either constant or current exchange rates. These results can vary greatly from one year to another based on fluctuations in the exchange rates of each country's currency. Such fluctuations may change a country's ranking from one year to the next.

List of countries by military expenditures - Wikipedia

The arms industry, also known as the defense industry or the arms trade, is a global industry responsible for the manufacturing and sales of weapons and military technology. It consists of a commercial industry involved in the research and development, engineering, production, and servicing of military material, equipment, and facilities. Arms-producing companies, also referred to as arms ...
