Ciao ciao! Italeri have some very interesting new items coming to us this coming year. Some larger and smaller scale bits that we did not expect or think about but we are most glad to see them coming and some we have expected for a while! We have a fairly large version so you can see the releases and the "New" items that are marked in it.

The Modelling News: Italeri's Catalogue & new items of

The main instrument panels (left and right) and side wall panels are all provided on the painted fret. In addition two color sets of belts are provided for the pilot and rear gunner seat.

Far from a dull PE review - Gary reviews the Eduard PE set

Body armor/armour, personal armor/armour, suits of armour or coats of armour all refer to protective clothing, designed to absorb and/or deflect slashing, bludgeoning and penetrating attacks by weapons. It was historically used to protect military personnel, whereas today, it is also used to protect various types of police (riot police in particular), private citizens, private security guards ...

Body armor - Wikipedia

Operations research, or operational research in British usage, is a discipline that deals with the application of advanced analytical methods to help make better decisions. Further, the term 'operational analysis' is used in the British (and some British Commonwealth) military as an intrinsic part of capability development, management and assurance.
