

### **social and cultural empowerment pdf**

The term empowerment refers to measures designed to increase the degree of autonomy and self-determination in people and in communities in order to enable them to represent their interests in a responsible and self-determined way, acting on their own authority. It is the process of becoming stronger and more confident, especially in controlling one's life and claiming one's rights.

### **Chapter 2 Empowerment: Definitions and Meanings**

The idea of cultural safety envisages a place or a process that enables a community to debate, to grapple and ultimately resolve the contemporary causes of lateral violence without fear or coercion.

### **Chapter 4: Cultural safety and security: Tools to address**

Within the United States there are countless empowerment programs for youth. Urban 4-H is a culturally responsive, community-based practice that authentically engages families, youth and the community in the development of youth. Urban 4-H is an example of community empowerment that focuses on the economic and social dimensions of empowerment.
