### **Introduction: What Is Democracy? 1 - State**

Social Democracy aims at empowering the state over the mere whims of the neoliberal market. The state can increase its expenditure by providing free alternatives to overpriced private ventures. It may focus on providing free education or free healthcare, so that people don't have to depend on profit-making corporations.

### **What Are The Different Types And Forms Of Democracy?**

The "system" I favor is commonly termed social democracy. It is exemplified in the institutions and policies of the contemporary Nordic countries—Denmark, Finland, Norway, and Sweden. Details, evidence, references, and discussion of objections and alternatives are in my books Social Democratic America and The Good Society.<sup>1</sup>

### **Social Democracy - The Next System Project**

"A small improvement achieved by one's own effort is worth more, in its effect on morale—materially too, in the long term—than a large scale reform granted by government or capitalists for doubtful ends or even out of the kindness of their hearts."
