

social movements in india pdf

A social movement is a type of group action. Social movements can be defined as "organizational structures and strategies that may empower oppressed populations to mount effective challenges and resist the more powerful and advantaged elites". They are large, sometimes informal, groupings of individuals or organizations which focus on specific political or social issues.

Lesbian, gay, bisexual, and transgender (LGBT) social movements are social movements that advocate for LGBT+ people in society. Social movements may focus on equal rights, such as the 2000s movement for marriage equality, or they may focus on liberation, as in the gay liberation movement of the 1960s and 1970s.

Apology: volume 10 issue 1. For reasons beyond our control we have not been able to publish our usual "summer" (in the Northern hemisphere) issue of Interface. We will publish a combined summer-and-winter issue (volume 10 issues 1 and 2) in late 2018.

Interface: a journal for and about social movements

Separatist movements are groups of people wanting to start a new country that is separate from a large existing country.. In India, some groups want separate countries for groups that have ethnic or language differences. Some groups call for a separate state, others for regional autonomy while some extreme groups demand complete full independence from India.
